

REMARKS

The Official Action of June 3, 2005 has been carefully considered and reconsideration of the application as amended is respectfully requested.

The indication that claims 13, 14 and 33-49 are allowed has been noted with appreciation. Applicant has now canceled the rejected claims to gain an early allowance of the application. The cancellation of these claims is without prejudice to Applicant's right to file a continuation application directed to the subject matter thereof. The allowed claims have been amended to make changes of a formal nature and, in particular, to recite the preferred language for the claimed Markush groups of (see MPEP Section 2173.05 (h)).

It is respectfully submitted that the application is now in allowable form in accordance with the Examiner's comments. An early notice of allowance is earnestly solicited and is believed to be fully warranted.

Respectfully submitted,
